Dear Wayne:

We, at the Mississippi Coast Coliseum and Convention Center thank you for introducing us to your New Age Floor Care System.

Your products have met with a great deal of employee acceptance. Our people seem to enjoy using the Stutton Products since they have no objectionable odors, and work very rapidly. This saves us a lot of time in addition to the pleasant working conditions. As a matter of fact, we are documenting a savings of 30% in time saved.

Also we have been able to cut our labor costs in half. We are actually saving 50% on labor.

Our people have a great deal of pride and satisfaction in a job well done, because our floors have never looked better, and have never held up so well.

We have enjoyed dealing with you and Stutton Corporation on several of your products, and recommend you to anyone who wants to save time and money and have fine products that really work.

It's nice to know that you are local, are available for immediate service, and will stand behind what you sell.

Sincerely,

A handwritten signature in cursive script that reads "David A. Ross".
