

Stutton's New Age Neutral Cleaner solves the everyday problem in everyday floor surface cleaning. *Stutton's Neutral Cleaner* does not mar or surface strip the shine from your finished floor. This economical cleaner can be used in warm or cold water. Hot water is not needed. *Stutton's Neutral Cleaner* lessens mop drag, thus reducing operator fatigue.

**Caution: This package is not child resistant.
Keep out of the reach of children.**

Directions:

1. Dilute 2 ounces of *Stutton's Neutral Cleaner* to each gallon of water in the mop bucket.
2. Damp mop the floor.
3. When floor dries, buff with a buffing floor pad.

To use *Stutton's Neutral Cleaner* to top scrub the soils off of your finished floor:

1. Dilute 4 to 6 ounces per gallon in a mop bucket.
2. Apply a thin coat to the floor and scrub using a scrubbing pad.
3. Mop the floor clean with *Stutton's Neutral Cleaner*.
4. When dry, the floor is ready to topcoat with *Stutton's Hi Shine Floor Finish* or *Stutton's Renu Finish Restorer*.
